\*For example, previous names of the provider, providers which have now merged with a member provider, providers which are part of the provider's group. A complaint about a provider in this column should be submitted to the OIA as a complaint about the Provider in the first column. If your provider is not listed, please contact our Casework Support Team [enquiries@oiahe.org.uk](mailto:enquiries@oiahe.org.uk).

<sup>1</sup> Under our Rules, a provider which stops being a 'qualifying institution' remains a member of the OIA Scheme for a further 12 months. This is called a transitional institution. We cannot review a complaint about a transitional institution unless the events complained about occurred before it became a transitional institution. The [Guidance on our Rules](#) has more information about transitional institutions.

<sup>2</sup> Students can only complain about this provider if they are (or were, for former students) on a higher education course. See the [Guidance on our Rules](#) for more information.
