Dear Professor Carter,

Annual Letter

I enclose the OIA Annual Letter for your institution for 2013. This documents the University's record in handling complaints and appeals. Explanatory notes and relevant definitions are set out in Annexe 2. A copy of this letter will be published on the OIA website, together with letters to all other Scheme members, on 9 July 2014.

I hope this is helpful.

Yours sincerely,

Rob Behrens

Independent Adjudicator & Chief Executive

The University of Winchester has informed the OIA that 34 students were issued with a Completion of Procedures Letter in 2013. To date the OIA has received two complaints from The University of Winchester students with Completion of Procedures Letters dated 2013. Charts 1 and 2 below give the comparison between the returns from The University of Winchester and the band medians. As the number of complaints from The University of Winchester is small it is difficult to provide meaningful comparative information.

Chart 1

¹ The figures under headings "Complaints received at the OIA" and "Complaints received at the OIA with Completion of Procedures Letters dated [year]" may overlap. The figures under these headings should therefore not be added together.

² Some of the complaints might have been received in the previous year.

The OIA closed no complaints against The University of Winchester in 2013.

EXPLANATORY NOTES

- Note 1* Under Scheme Rule 4 the OIA has the discretion, exceptionally, to review complaints even where the internal complaints procedures have not been exhausted. For statistical purposes, we treat such complainants as having exhausted the relevant procedures.
- Note 2* Student numbers were obtained from Higher Education Statistics Agency (HESA) - www.hesa.ac.uk. 2009/2010 HESA figures were used to assign universities to the relevant OIA subscription band in 2012 and 2010/2011 figures in 2013.
- Note 3* The heading 'Complaints received at the OIA in 2013' includes all complaints where the OIA Complaint Form was received at the OIA during 2013. It also includes Not Eligible complaints. By contrast, 'Complaints received at the OIA with Completion of Procedures Letters dated 2013' includes only complaints received at the OIA with Completion of Procedures Letters dated 2013, whenever received. For example, a complaint may have been received in 2014 but with the Completion of Procedures Letter dated 2013. The example given also applies to 2012 statistics.
- Note 4* In this exercise, bands G, H and I are merged for the purposes of calculating band averages for universities in those bands. This enabled the OIA to provide more meaningful contextual information where numbers of institutions in bands are small.
- Note 5* The heading 'OIA Band' refers to OIA subscription bands which are as follows:

Institution size	Band
Fewer than 500 students	A
501 to 1,500 students	B
1,501 to 6,000 students	C
6,001 to 12,000 students	D
12,001 20,000 students	E
20,001 30,000 students	F
30,001 50,000 students	G
50,001 100,000 students	H
More than 100,000 students	I

DEFINITIONS

Completion of Procedures Letter – Once a student has exhausted the university's internal complaints or appeals procedures, the university must promptly send the student a Completion of Procedures Letter. In line with published Guidance, this letter should set out clearly what issues have been considered and the university's final decision. This letter directs the student to the OIA.

Justified/Partly Justified/Not Justified – At the end of the OIA review process we will decide whether a student's complaint about the university is Justified, Partly Justified or Not Justified.

Not Eligible complaint – This is a complaint that we cannot review under our Rules.

Settled complaint - Once a complaint is received by the OIA and the University has been notified, a complaint will be considered "settled" where the parties to the complaint reach an agreed outcome prior to the OIA issuing a Final Decision.

Suspended complaint - A case may be suspended, normally at the request of a complainant, in exceptional circumstances e.g. bereavement or illness. Cases may also be suspended if there is on-going action taking place in another forum which could affect the outcome of the OIA's review e.g. secondary procedures taking place within the University.

University – For ease of reference, we use the word 'university' throughout the letter to include all institutions subscribing to the OIA Scheme.

Withdrawn complaint - A complaint will be considered "withdrawn" if a complainant requests that the OIA cease to review the complaint or in cases where the complainant fails to participate in the OIA's process.

Academic Status - complaints which are related to academic appeals, assessments, progression and grades.
