Introduction Screen with the words 'Diversity Steering Group'

Adesewa: One of the core values and aims of the OIA is to ensure that diversity and inclusion remains embedded and maintained within all aspects of the organisation.

And through this group, we ensure that these values remain embedded during interactions with students in the work force and also within recruitment. And the aim of this is to make sure that we look at areas of good practice, we learn we unlearn to just continue to grow and foster this culture of diversity and inclusion within the OIA.
